Auditorium  
Adamas University, Kolkata

# About the program

The Faculty Development Program empowers educators to get a clear understanding of the transformative impact of NEP 2020 on Indian education. It promotes holistic, multidisciplinary and skill-based education, while also offering insights for participants into accreditation frameworks like NAAC, NBA and NIRF. Through expert-led sessions and interactive discussions, the program enables faculty to align with NEP objectives, enhance academic standards and drive educational progress at the institutional and national levels.

## Who should attend

This Faculty Development Program is open to all professionals and mandatory for Adamas University employees.

## It is ideally suited for

- faculty members and academicians
- non-teaching staff
- professionals involved in research policy or administration

Designed to address the evolving educational landscape, the program equips participants with essential knowledge and skills to understand the New Education Policy (NEP 2020) and comply with accreditation standards such as NAAC, NBA and NIRF.

# Benefits of attending the Faculty Development Program

## Comprehensive Understanding of NEP 2020

In-depth insights into the objectives, reforms and implementation strategies of the New Education Policy, with a focus on its impact on teaching and learning practices.

## Awareness of Accreditation Processes

Clarity on the roles, criteria and evaluation methods of key accreditation bodies such as NAAC, NBA and NIRF, enhancing institutional preparedness for quality assessment.

## Improved Curriculum Design

Guidance on redesigning curricula aligned with NEP mandates with emphasis on multidisciplinary, skill-based and learner-centric education.

## Professional Growth

Development of pedagogical and administrative competencies essential for academic leadership and policy-aligned institutional advancement.

## Networking and Collaboration Opportunities

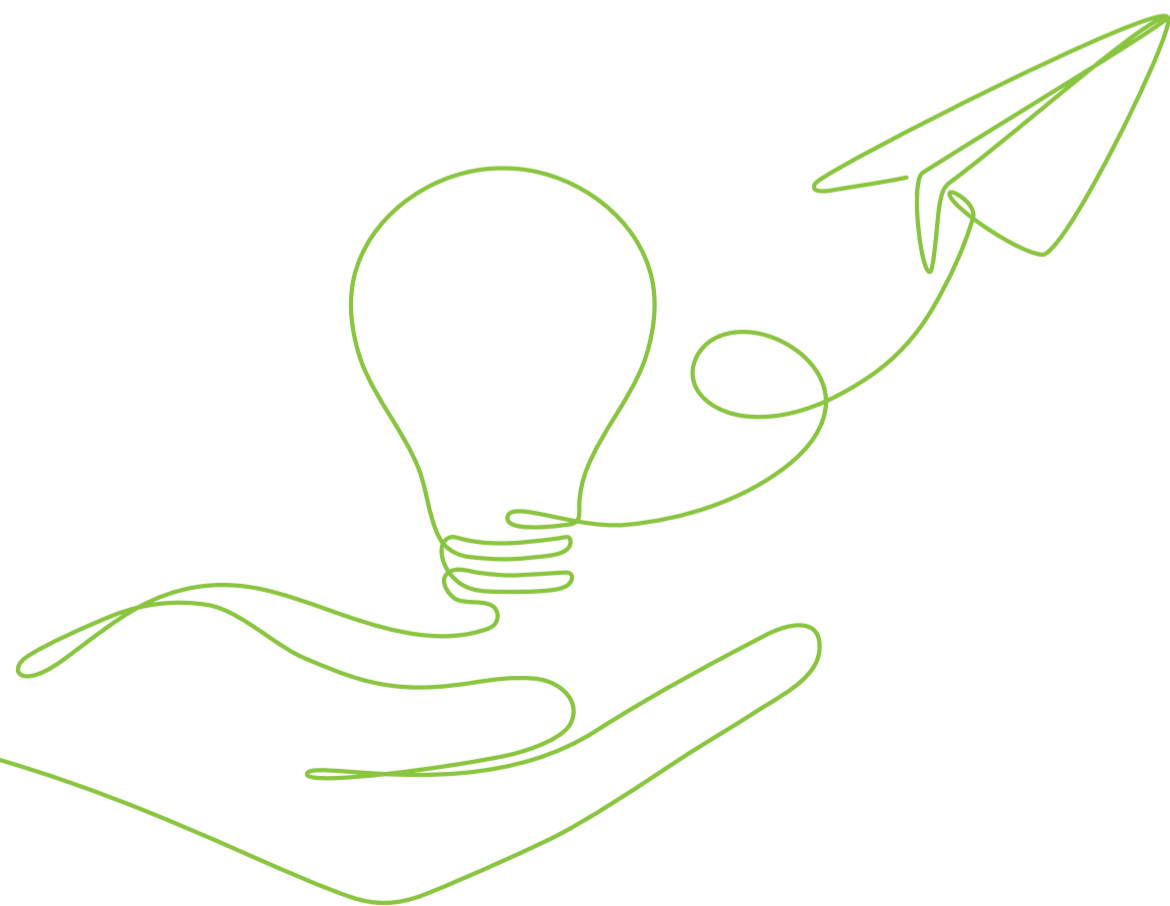

Engagement with experts and peers from various institutions to foster academic collaboration and the exchange of best practices.
